

VOLUNTEER NEEDED!

CMC needs a scheduler for the Wednesday hikes.

Hike scheduling offers an opportunity to meet many *CMC* members and learn many interesting hikes. It offers an opportunity to help fellow hikers and gives a real sense of accomplishment.

The scheduling of the Wednesday hikes is done by two people, who alternate calendar quarters. After years of dedicated scheduling, the hike scheduler for the first and third quarters of each year has resigned and we are looking for someone who is interested in becoming a scheduler, effective with the first quarter of 2007. Work on that quarter will begin in mid-October 2006, with the schedule due on 11/15/06.

Twice a year, the scheduler will:

- E-mail or phone potential hike leaders and obtain volunteers for each Wednesday in the quarter (13 hikes);
- Select a hike for each leader, using previous Let's Go's, the website hike database or creating new hikes;
- Type the hike descriptions and e-mail them to the Editor.

Help and training will be gladly offered for the new scheduler. This includes providing various templates which will ease the process.

Please contact Bruce Bente at bbente@cytechusa.com or 828-692-0116 if you are interested.
