Hike

Carolina Mountain Club is the oldest and largest hiking and trail maintenance organization in the Southeastern United States. As a member-run volunteer organization, we embody the spirit of community and shared passion for the outdoors, welcoming everyone who wishes to participate in its activities.

Leading over 200 hikes per year, the club maintains more than 440 miles of trails in Western North Carolina, including 94 miles of the Appalachian Trail and 150 miles of the Mountains-to-Sea Trail.
